To our valued customer;

Beacon Mechanical and Beacon Oil are proud to be one of the areas leading service companies, offering the best in heating, cooling, plumbing, and fuel oil delivery.

Now is that time, here at Beacon Oil, when we offer our **Fuel Budget Plan**. Through this program, customers can plan on their monthly fuel costs, without getting hit with huge fuel bills, when they least expect it. Unlike a “pre-buy” or “lock in”, you take advantage of the delivery day price.

In addition, as a **Budget Plan** customer, you receive Automatic Deliveries and will benefit from a five (5) cent per gallon discount on all deliveries, provided your monthly budget payments are current. You also get the piece of mind knowing that you will not run out of oil. We track your needs and deliver only when needed, and your monthly bill stays the same.

The plan is simple. We project your yearly fuel usage and multiply it by an estimated average price per gallon. We then divide the yearly estimate, into ten (10) or twelve (12) consecutive equal monthly payments (less a 10% deposit) that begin in July. At the end of the term, if there is a credit amount, you can apply this to the next heating season or obtain a refund. Below is an estimate of what you may be paying per month:

Yearly Usage (July – June)	800 Gallons	900Gallons	1000 Gallons
10% Deposit	\$220.00	\$247.50	\$275.00
*Approx. Cost Per Month (10 Mo)	\$198.00	\$222.75	\$247.50
*Approx. Cost Per Month (12 Mo)	\$165.00	\$185.63	\$206.25

* Based on an estimated price of \$2.75 per gallon

In addition, we can add your yearly Comfort Club Membership or Service Contract, in to your Budget Plan which only adds a few dollars per month.

Now is the enrollment period so please contact us ASAP, in order to take advantage of this amazing program. The program begins July 1st. Enrollment for this coming year is for a limited time!

We are not your traditional oil company; Beacon Mechanical is a full service company, priding ourselves on providing unmatched customer service and the best values. On behalf of the Riggott family and the entire staff at Beacon Mechanical, we want to thank you again for doing business with us. We look forward to servicing all of your heating, cooling and plumbing needs.
